

Hi-Lives of Seaside Zakon Family Hosts Daughter, Children

By SUE BURK

We think it's been a great month even if it has rained a lot of the time. Stopped by the Wilshires the other day. Upon seeing the happy smiles on their faces we know that Mr. and Mrs. Willie Wilshire of Zakon are very tickled at having their daughter, Barbara, and two grand-kiddies down from San Francisco for a while. It has really been a long time since we've seen her.

The Scout Mothers Club met in the home of Mr. and Mrs. C. L. Gaul of 5321 Linda Dr. recently, and plans were made to have Christmas tree wreaths, dollies, and numerous other decorations for the Christmas Tree Lot Sale of 1954. Plans for buying new tents for the boys of Troop 726 were explained. The money carried from the Christmas tree sale of '53 will be used. A Valentine party was planned and decorations made for the old ladies home in North Redondo. A gaily-decorated Valentine box was made and also Valentines with pretty lace frilled edges were made by the mothers of the club. Embroidered with paste, paper, and valentines were Mrs. Merle Holstin, Mrs. Madge Graham, Mrs. Kissell, Mrs. Eleanor Barry, Mrs. Margaret Whyte, Mrs. Mildred Muldoon, Mrs. Morris, Mrs. Emily Honzik, Mrs. Sue Burk, Mrs. Bonnie Evans, and our hostess, Mrs. Isabelle Gaul. The ladies enjoyed ice cream roll, cookies, and coffee. The next meeting is to be held in the home of Mr. and Mrs. Francis Parent of 5309 Linda Dr.

Glady's White from Pasadena spent the week-end in the home of her children Mr. and Mrs. Bus White of Zakon. Accompanying Mrs. White were another son, Bill White, and Mrs. O. El Carter. Seems there was a birthday for someone very dear, and the party was terrific. We extend happy birthday greetings to grandmama Carter, and we know that the many more you have to come will be spent just as happily as the one just past.

Lee Stewart of 4711 Ave. O informs me that a millinery class starts Tuesday, Feb. 2, at El Retiro Park. Classes run from 9 a.m. to 12:00. No payments are asked for these classes and there will be no charge for blocks and frames—just take your own materials to work with. Get in the mood now and make your own Easter bonnet. Teaching the classes will be Pamela Grubb of Westchester, who is well known in the art of making hats.

Get well wishes are being sent to Jim McClune of Doris way, who has been abed with the flu for the past two weeks.

Visitors in the home of Mr. and Mrs. Priestly of 5224 Vandercill saw Mr. and Mrs. Everett McCord of Iowa Falls, Ia.

HOMES & DELINQUENCY

Everett Stanford said, "Home has an intimate connection; it is within its walls that man and his family are supreme; there, children are taught by example the basic principles of democracy. Children reared in a home where love permeates the atmosphere, where honor is part of the air they breathe, where individual dignity is unquestioned, live in a home that shines with a lustre of peace and harmony."

Torrance is known as a friendly city. Our children are taught to be friendly and honorable. When we find a child who falls outside that category couldn't we stretch our friendliness to include that boy, or girl, give him a taste of ideal home life?

If that child's home life is filled with conflict, evasion and retaliation that's what he'll practice away from it. We should have little difficulty in giving that child a positive slant on Christian living. Is this worth trying?

Peg Parke, president of Seaside Parent-Teacher Association, informs me that a paper drive is slated for Feb. 9. The prize will be awarded to the entire Seaside School rather than to separate classrooms, according to amount in tonnage the children bring in. Parents are asked to help in saving all old papers and magazines for this paper drive, slated to be the largest yet in the history of Seaside. For more information

Comic states that she is very happy to have mom and dad here for awhile. Visiting in their Vanderhill home with Mr. and Mrs. Charles

A new deal for the Pat Patersons of Macatee Rd. is the beautiful new breakfast nook Pat has worked so hard to complete for the dining room, and of course for his lovely wife, Betty. We understand that the color will be terrific and both Pat and Betty have been from head to toe in paint.

Parents of boys in Troop 726 are welcome to attend the Boy Scout meetings held each Thurs-

day evening at the El Retiro Park. Come in and see what really good and honest things your son is learning, says Mr. Floyd Holstin, Scoutmaster.

I'm sure my readers of the Heights will be pleased to know that the Seaside Heights will stay in Seaside Elementary and will not be moved to Meadowbrook School. We learned this at the School-Board meeting last Jan. 5.

Best wishes to Louise Ansley of Macatee Rd. who is recovering from a recent illness. Get well wishes are being sent to Jay Patterson, who has had chickenpox. Our best to Bobbie Holstin and Butch Parent, who both came home very ill recently. We understand the boys had a touch of intestinal flu or some new virus.

We wish to extend our deepest sympathies to Mrs. Wilkerson and small son of 5261 Binedwald, who recently suffered the loss of her husband and father, Mr. Wilkerson and

played by Northrop Aircraft until a six-year illness ended in his death last month.

Bobby Holstin enjoyed a huge dinner and reunion with several of the boys that were awarded the honor of attending Camp Philmont, which is located in New Mexico. Bobbie was one of two boys picked from the South Bay district to hold this honor.

Don't forget the Mothers March on Folio and also the school bond election.
